DETAILED ACTION

In response to Amendment filed February 15, 2005

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:
 - a. Claims 2 - 3, 5 and 11 are allowable over the Prior Art of Record because it fails to teach or suggest an end assembly for a tape rule comprising an elbow section upwardly curving from the plate section to the abutment section, the elbow section outwardly flaring to a width exceeding a width of the plate in combination with the remaining limitations of the claims.
 - b. Claims 4, 12 and 14 are allowable over the Prior Art of Record because it fails to teach or suggest an end assembly for a tape rule comprising an abutment section downwardly extending below the tape rule and the abutment section outwardly flaring to a width exceeding a width of the elbow section in combination with the remaining limitations of the claims.

c. Claims 6 – 10, 13 and 15 are allowable over the Prior Art of Record because it fails to teach or suggest an end assembly for a tape rule comprising an abutment section downwardly extending below the tape rule and at least a portion of a lower edge of the abutment section rolled to a substantially cylindrical shape in combination with the remaining limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
